ERRATA

Selected References to the Literature on  
Rutin, Vitamin P, Flavonoids and Related Subjects  
AIC-192, Supplement I

- p. 4. Item 7. Brown, E. D. should be Brown, E. E.
- p. 6. Last item. Title should be: Failure of rutin to decrease the mortality of acute ionizing radiation illness in mice. Add 1949 to citation.
- p. 9. Item 6. Title should be: Antithyrotropic action of vitamin C<sub>2</sub> (Vitamin P).
- p. 15. Item 9. 138-142 should be 138-143.
- p. 16. Item 6. 24-29 should be 27-29.
- p. 23. Item 3. Rao, K., Venkateswara and Seshadri, T. R. should be Rao, K. Venkateswara, Rao, K. Visweswara, and Seshadri, T. R.
- Item 9. 275-290 should be 375-390.

-----

Since the first publication was issued in December 1948 there has appeared a large number of papers on these subjects. The present supplement includes most of those that have appeared up to July 1950, plus many that were omitted from the first list.

The compiler is indebted to the Wyndmoor Branch, U. S. Dept. of Agriculture Library, for technical library assistance and checking of all references.
